

CCAC/PASSHE Collaboration/Partnerships

Indiana University of Pennsylvania

Programs/Majors

TAOC P2P for Biology, Business, Chemistry, Criminal Justice, Early Education & Child development, Physics, Psychology

- Business Management (Collaborative)
- Nuclear Medicine
- Nutrition & Dietetics

Bachelor of Science in Nutrition/ Dietetic Track

CCAC graduates with the Associate of Science in Dietetic Technician may qualify for guaranteed admission as a junior into the BS degree in Nutrition and Dietetics.

CCAC IUP Collaborative

Cooperative program of study at the Boyce Campus of the Community College of Allegheny County which will culminate in an IUP Bachelor of Science degree in Management. This program is limited to CCAC students who are candidates for the Associate of Science degree in the University Parallel Business Program.

Bachelor of Science in Accounting, Finance, Management, Human Resource Management, International Business, MIS and Marketing

The purpose of this agreement is to convey the cooperative relationship between CCAC and IUP regarding CCAC's Associate of Science Degree in the University Parallel Business Program and IUP's Bachelor of Science Degree in various business disciplines. This agreement serves both to enhance the articulation of students and transferability of credits earned from CCAC's Associate of Science Degree in business to IUP's BS degree in various business disciplines and to identify the provisions of resources and conditions in the cooperative presence of each program, specifically on the CCAC Boyce campus.

Bachelor of Science in Nuclear Medicine Technology

Students will earn 88 credits at Indiana University of Pennsylvania then move to CCAC's Nuclear Medicine Certificate. Student earns a Nuclear Medicine Certificate at CCAC and BS in Nuclear Medicine Technology at Indiana University.
